

MEMORANDUM

TO: Pelican Bay Advisory Committee Members and Staff
FROM: Bernon W. Young
DATE: October 15, 1992
SUBJECT: Beach Renourishment

Attached please find a copy of the notice for an upcoming Beach Renourishment Symposium. Beach Renourishment is one of the topics which has been discussed at several of our previous Pelican Bay Advisory Committee Meetings and is of great interest to the people of Pelican Bay.

I would encourage any member who is available, make reservations to attend this Symposium.

Does Collier County need Beach Nourishment? Is technology understood & reliable? Who will Benefit?

The Economic Development Council of Collier County, Inc. has assembled two panels of state & local experts to discuss beach nourishment and answer your questions.

The public is invited to attend and become better informed about a major beneficiary of the 2% bed tax which will be voted on November 3, by referendum. Sixty percent of the proposed bed tax would go to beach nourishment.

There will be no charge for admission to the symposium; and we encourage all to attend. Space is limited. Reservations are required.

Dudley Goodlette
